

Pavilion update!

WEDNESDAY 23 MAY 2018

The main structure is in place, with decking all around the front and to the side.

All agree that it sits comfortably on the site and looks fantastic.

There's still work to be done to get it finished and fully operational, namely:

- Completing the water supply, kitchen fit out, WIFI and fencing adjustments, all scheduled to be completed by 30th May
- Additional furniture, service area fixtures and a 65 inch TV are currently being sourced
- Opening arrangements, policies and procedures are all being worked out

The Pavilion is already open from time to time, we will update soon on how this will develop and the big official opening day - hopefully 30th June.

We'd love to improve the outer decked area with some good quality seating. So far we have sourced:

- 6 seats at £70 each, a two seater sofa at £120 and a picnic table at £210

Any contributions to the purchase of these items will be very gratefully received.

Many thanks for all contributions already received.

To make a contribution you can either pop a cheque round to Mike Clarkson at [2 Weavers Orchard, Wellow](#) or make an online bank transfer:
