WELLOW CHILDREN'S PLAY PARK APPEAL

PLEASE HELP US TO SAVE OUR PLAY PARK!

LOCAL FUNDRAISING TARGET: £10,000

Our much loved Children's Play Park is now rather tired and in need of renewal. Recent B&NES Council safety inspections have drawn our attention to the fact that much of the equipment is reaching the end of its useful life and will require replacement over the next 18 months.

We want to keep the natural countryside feel of the landscaping, to renew the rotted wooden structures and perimeter fencing, refresh the grass and improve drainage, so our main objective is to replace most or all of the play equipment with exciting new items composed of similar natural materials.

Therefore we have launched a local appeal to raise £10,000 towards the overall sum of £50,000 which is needed to complete the project by the Spring of 2020. The balance of the money is being sought via grant applications to local and national institutions.

The project is backed by Wellow Parish Council who are owners of the Play Park and managed by a team from local charity Wellow Recreation who look after the maintenance of the Playing Field and Play Park on behalf of the PC.

Please support our appeal and give generously – either to our many fundraising events or directly to our fundraising account at localgiving.org by following this link:
